

SAGEMCOM UNVEILS A STYLISH NEW DECT TELEPHONE: THE D780

May 2013

SAGEMCOM ANNOUNCES THE LAUNCH OF A NEW DECT TELEPHONE WITH A UNIQUE DESIGN AND FULL SET OF FEATURES: THE D780.

Sagemcom presents its new DECT telephone: the D780. After the launch of its famous Sixty model and the D790, Sagemcom continues to roll out its design range with the D780, available with or without answering machine, in black or white.

The Sagemcom D780 features a slim and compact handset with stunning chrome-look circular navigation keys. The handset rests on a modern base unit, which would be an elegant addition to any room in the house.

In addition to its stylish look, the Sagemcom D780 has a large screen with white backlighting, giving it an excellent display quality. The practical and easy-to-use model also features a 100 contact phonebook, a hands-free function on the handset, and a detachable charging unit.

The Sagemcom D780 is a high-end telephone with a focus on design and performance that is sure to delight all its users and enhance every interior.
