

SAGEMCOM WINS IF PRODUCT DESIGN AWARD FOR SCRENEO

3rd March 2014

THE FIRST ULTRA SHORT THROW SMART LED PROJECTOR, SCRENEO, SOLD UNDER THE PHILIPS BRAND, RECEIVES THE "IF PRODUCT DESIGN AWARD", ONE OF THE MOST PRESTIGIOUS AWARDS IN THE WORLD OF DESIGN.

[Sagemcom](#) receives its first design award for Screeneo, highlighting the design effectiveness behind the next generation of devices for connected home.

Philips Screeneo is a revolutionary projector for the home which, when placed a short distance from the wall, is able to project a huge 100" image. Screeneo can handle any multimedia, web and television content, and it has an integrated audio system, with 26W speakers and a subwoofer.

Screeneo is not only at the edge of technology, it also combines the elegance of a sleek design with the mobility and maneuverability allowed by its leather handle. The fact that no screen is needed, enables it to integrate seamlessly into modern homes, to display the content of choice.

"Screeneo offers a unique multimedia experience thanks to its innovative technology and original design. Easy to install and use, it is not just a multimedia product but also an object of interior design certain to spark conversations. All its features make Philips Screeneo the new "must-have" for families!", says Nicolas Denis, Deputy CEO of Sagemcom Documents.

Price and availability:

Screeneo is now available in-store at a recommended retail price of €1690.

About Sagemcom

A French high-tech group of international dimensions, Sagemcom operates on the broadband (digital home, set-top boxes, Internet routers, telephony and multimedia terminals), telecoms and energy (smartgrid and energy management) and document management (printing terminals, software and solutions, digital production workflow) markets.

With a revenue of around 1.3 billion euros, Sagemcom employs 4,600 people on five continents; currently a European leader on most of its key markets, Sagemcom aims to become a world leader in communicating

terminals with high added value.

Sagemcom has provided support for its clients for the last 25 years by preparing and implementing their energy management projects, and by deploying secure and sustainable metering solutions, from meters to information systems.
