

Accessory

Magnetic Mount Antenna Mini GSM 900/1800

Benefits:

- A magnetic mount antenna for steel surfaces
- Suitable for indoor and outdoor installation
- RF-Cable attached to the antenna
- High efficiency and reliability
- Placing of radiator system in plastic housing protected of dirt and corrosion
- Optimal broadcasting and receiving
- Scope of delivery: 2 Antenna
 - Short: 60mm
 - Long: 215mm

Return Loss

Antenna short

Antenna long

Electrical Parameters

- Frequency Ranges: GSM 900 / GSM 1800
- Frequencies (in MHz): 890-960 / 1710-1880
- VSWR: $\leq 1,8 : 1$
- Return Loss: ≈ 10 dB
- Gain: $\approx 0/3$ dBi (Antenna short/long)
- Impedance: 50 Ω
- Max. power: 10 W
- Cable: 3 m RG174U
- Connector: SMA
- Order Number: 316480
