

Sagemcom Tunisie – Procurement Instructions 2012

A. Instructions for Products governed by the **CMI** (Consignment Managed Inventory)

Suppliers VAT registered in France, suppliers VAT registered in the European Union and suppliers VAT registered in third countries must be “exporter” and must deliver the Products according to the applicable Incoterm stipulated on the Purchase Order.

B. Instructions for Products governed by the **VMI** (Vendor Managed Inventory)

Suppliers VAT registered in France, suppliers VAT registered in the European Union and suppliers VAT registered in third countries should organize their logistics under their Tunisian customs warehouse in such a manner that Sagemcom Tunisie can pull out Products according to VMI agreement.
(See VMI agreement)

C. Instructions for Products non governed by the above instructions

1-Products delivered from France to GEFCO OVERSEAS

In accordance with the authorization of tax warehouse N° 06/035 granted on the 10/04/2006 by the French Customs authorities to GEFCO OVERSEAS, the delivery of Products will be VAT exempted if the invoices stipulate the following mention:

***" Autorisation d'Entrepôt fiscal N° 06/035 délivré le 10/04/06 à GEFCO OVERSEAS, ZAC de l'Anjoly, BP 20543, 13814 Vitrolles Cedex, France.
Exonération de TVA article 277 A I 2°) du CGI. "***

Moreover, the delivery address must be "warehouse FC 002" as follows:

"GEFCO OVERSEAS, warehouse FC 002, ZAC of Anjoly, LP 20543, 13814 Vitrolles Cedex, France"

2-Products delivered from European Union countries (except France) to GEFCO OVERSEAS

In accordance with the above authorization, the delivery of Products will be VAT exempted if the invoices stipulate the following VAT identification number of GEFCO OVERSEAS.

VAT number to be mentioned on the invoice: **FRZQ542050315**

Moreover, the delivery address must be "warehouse FC 002" as follows:

"GEFCO OVERSEAS, warehouse FC 002, ZAC of Anjoly, LP 20543, 13814 Vitrolles Cedex, France"

3- Suppliers VAT registered in third countries (i.e non EU countries) must be “exporter” and must deliver Products according to the applicable Incoterm stipulated on the Purchase Order.

SAGEMCOM

Products delivered from third countries to Sagemcom Tunisie or to GEFCO OVERSEAS must remain under Custom Transit.
