**User Guide for
Suppliers**

M1, M2b Modules - Edition 3

Direction des Achats/Ph.Longuet

Date: 4/11/11

SAP SNC – How to get started with Sagemcom SNC

1 - SNC Portal, what are features ?

- SNC is an application enabling Sagemcom Suppliers' to retrieve Purchase Order on Internet and to answer Sagemcom
 - *Other flows are available: Forecasts, Advanced Shipment Notification, Schedule Agreement, Shortage Display, and so on..*

2 – How to handle SNC ?

- Sagemcom realised a list of training document enabling Suppliers' employees to get trained on SAP SNC step by step. Have a look further...

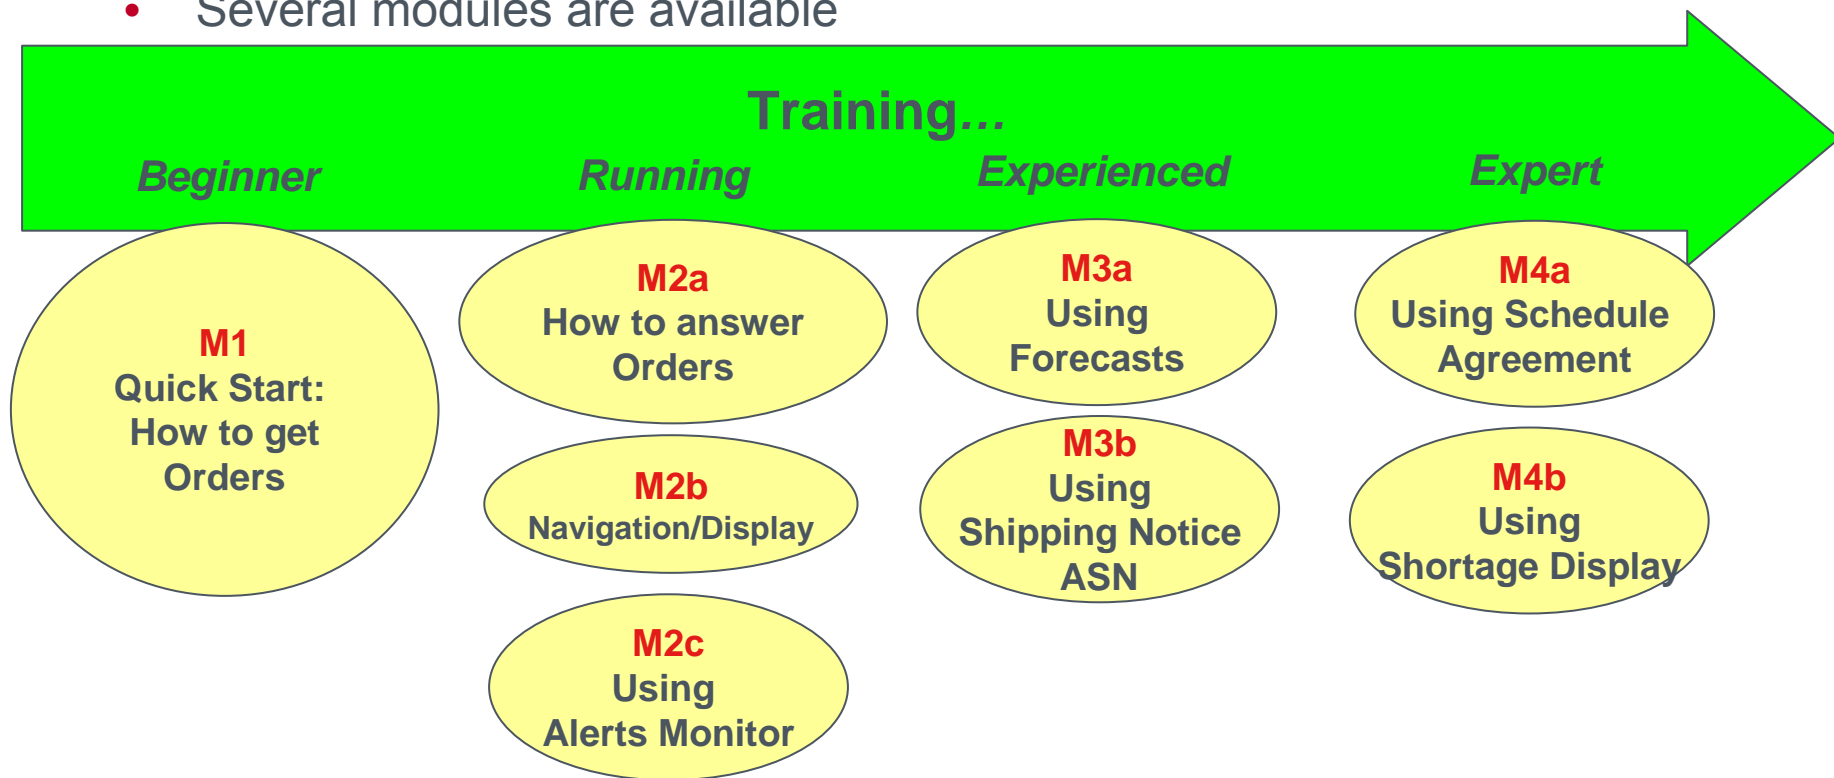

Notes

- You will find these documents on <http://www.sagemcom.com/suppliers/> then « SNC document »
- This document is a property of Sagemcom, you must ask Sagemcom for autorisation before

SAP SNC – Regular training on SNC portal

Let become experienced **step by step** on SNC

- Several modules are available

SAGEMCOM

SNC – Training

SAP SNC – Frequently Asked Questions (FAQ)

Q1: How a supplier to get login/password for connection ?

- Contact support-purchasing-tools@sagemcom.com

Q2: Access to SNC page doesn't work properly

- Check your Internet Access ? Check your firewall allow port 44300 (error IE 502)

Q3: 15mn after my last action, screen becomes ununderstandable

- Your session has expired, click on « Refresh » of your Internet Explorer

Q4: Datas seems to be out of date

- Click on « Refresh » on top and left (Monitor: Click on right and bottom)

Q5: Supplier attempts to click on « Print version »

- Message is : « Print version Communication failure:RFC destination failure SALVxxxx does not exist » or « No Authorization for device LP01 ». Acrobat pdf format order is not available. A workaround is prepared by Sagemcom. Click on « Download » if you want to keep an electronic copy of the order

SAP SNC – Frequently Asked Questions (FAQ)

Q6: Displaying a red icon when I « Check » or « Publish » an order

- It means SNC can not accept your response (example: changing delivery date to close of the initial delivery date, and so on....)

SAP SNC – Main translations
