# DEMAT'BOX®:

## OPTIMISED BOOKKEEPING

Demat'Box® is the **innovative** Cloud concept created by Sagemcom that allows you to **instantly collect** accounting documents from your customers: no more exchanging bundles of paper!

### HOW DOES IT WORK?

### A COMPLETE RANGE TO EQUIP YOUR CUSTOMERS AND YOUR OFFICE:

For your customers:  
The Demat'Box®

For your office:  
The Demat'Box® HV

# DEMAT'BOX®: WHAT ARE THE BENEFITS?

## FOR YOUR CUSTOMERS

### RAPID START-UP

Just a plug socket and Internet access are necessary.

### EFFICIENCY

No need to turn on a PC, the Demat'Box® is totally autonomous. High-performing, it scans up to 20 documents per minute, from credit card receipts to A4 documents.

### SIMPLICITY

Only 3 buttons run all functions. No more blank pages sent by mistake, the Demat'Box® directly digitises in duplex mode.

### SECURE TRANSFERS

No manual operations are required. Right from digitisation, the documents are automatically sent to the office in a secure manner, from end to end. The display provides your customers with instant confirmation of receipt for the documents.

### NO MORE TRIPS TO DROP OFF DOCUMENTS

Your meetings with your customers can thus be solely dedicated to added-value activities.

### ACCOUNTING IS MORE FLUID

No more misplaced invoices, thanks to real-time sending of documents. Your customers will thus benefit from more up-to-date accounting for better management of their business.

### DEDICATED SAGEMCOM HOTLINE

Still have questions? Your customers have access to the Sagemcom hotline to guide them.

## FOR YOUR OFFICE

### ENHANCE YOUR ENGAGEMENT LETTER

Give your services more added value by adopting Demat'Box® optimised bookkeeping. Concentrate on advising your customers on improving their business.

### NO MORE PEAKS IN WORKLOAD

Your customers will no longer wait until the last minute to give you their accounting documents. As soon as they are received, without turning on a PC, they can send you documents with their Demat'Box®. Your colleagues' work is thus spread more evenly at closing of accounts.

### INDUSTRIALISE YOUR ACCOUNTING

Free yourself from paper and streamline document collection: your customers can digitise directly with their Demat'Box®. For change-resistant customers, you can digitise their documents at the office with the Demat'Box®HV. Your colleagues can thus receive the documents automatically in a homogeneous process.

### REINFORCE APPEAL

Develop innovative bookkeeping thanks to the Demat'Box®. Stand out by associating the image of your firm with this cutting-edge innovation.

### SWITCHING TO PAPERLESS?

For optimum results, the Demat'Box® solution is designed to guarantee that the images sent by your customers or digitised in the office are of the highest quality.

### RETAIN YOUR CUSTOMERS

Give your customers the possibility of using their Demat'Box® for their own paperless needs. A true showcase for your firm, the Demat'Box® can feature your logo to reinforce your visibility.

### DEVELOP YOUR SERVICE OFFERING

By going paperless, you can offer more services to your customers, such as collaboration in a shared space.
