

Customer Information on the REACH Regulation

Regulation (EC) No. 1907/2006 dated from 18 December 2006

Supply of non-chemical products

Sagemcom Dr. Neuhaus GmbH supplies non-chemical products (articles) only. In addition, all the products you purchase are designed not to release any such substances under normal and reasonably foreseeable conditions of use. As a result, the obligations described in Section 31 and Section 32 are not relevant here.

Information on substances in non-chemical products

The Candidate List of Substances of Very High Concern for Authorization was first published on 16 June 2014. To the best of our knowledge, however, our products do not currently contain any of the substances recorded referring to the present release of this "Candidate List" in an amount of more than 0.1 mass-%.
