

Manufacturer's Declaration to Electrical and Electronic Equipment Act, Waste Electrical and Electronic Equipment Directive and RoHS Directive

Electrical and Electronic Equipment Act (ElektroG)

All our products comply with the requirements of the Electrical and Electronic Equipment Act (ElektroG) in its currently valid version.

The ElektroG transposes the European WEEE Directive into German law.

WEEE Directive

The products comply with the requirements of Directive 2012/19/EU on waste electrical and electronic equipment (WEEE); they are marked in accordance with applicable regulations and designed for proper collection, treatment, recovery, and environmentally sound disposal.

Our WEEE registration number is **31323053**.

RoHS Directive

The products comply with the requirements of Directive 2011/65/EU (RoHS) and its amendments regarding the restriction of the use of certain hazardous substances in electrical and electronic equipment. The maximum permissible concentrations for the substances specified in the Directive are adhered to.

Used equipment manufactured by Sagemcom Dr. Neuhaus GmbH and placed on the market after August 13, 2005, may be returned to us for proper disposal in accordance with the ElektroG in its currently valid version.
